An aerial photograph of a lush green forested valley. The foreground is filled with a dense canopy of trees in various shades of green. In the middle ground, rolling hills and valleys are covered in similar vegetation. The background shows more distant hills under a sky filled with large, grey, overcast clouds. A white rectangular box with a soft, feathered border is centered over the middle of the image, containing the text.

Můžeme měnit les i s kůrovcem,

An aerial photograph of a vast forest landscape. The foreground is filled with a dense canopy of trees in various shades of green. In the middle ground, there are rolling hills and valleys, some with more uniform green and others with patches of brown or grey, suggesting different forest types or stages of change. The background shows more distant hills under a sky filled with large, grey, overcast clouds. A white, rounded rectangular box is superimposed over the center of the image, containing text in a dark green font.

**Můžeme měnit les i s kůrovcem,
když ho bude žrát postupně**

An aerial photograph of a vast forest landscape. The foreground is filled with a dense canopy of trees in various shades of green. In the middle ground, rolling hills and valleys are visible, with some areas appearing less densely forested. The background shows more distant hills under a sky filled with large, grey, overcast clouds. A white, rounded rectangular box is superimposed over the center of the image, containing text in a bold, dark green font.

**Můžeme měnit les i s kůrovcem,
když ho bude žrát postupně
a udržíme ho na uzdě.**
